

Do your students settle on Plan A? Do you want to push them to be more innovative? Share **The F.U.N. Part** from the Blue Apple Project, *Lend a Hand*, to teach kids that honing and refining their work can be F-U-N!

The F.U.N. Part

Take your ideas and make them MORE AWESOME!

F

Formulate an idea and write it down.

U

Utilize your creativity! How can you jazz up this step and make it more fun?

N

NEXT! Pass the directions to the next student so they can add even more awesome!
